The user is logged in as 'ECM Selector' under an 'ECM ACADEMIC DEMO ACCOUNT'. The main search area includes a search bar with a dropdown menu set to 'Keyword', and two additional search criteria fields. A 'Full Search Options' link is provided below the search fields. The central content area features the EBSCOhost logo and the title 'EBSCOhost Collection Manager'. A descriptive paragraph explains that ECM is a tool for acquiring eBooks and Audiobooks. Below this, three featured sections are highlighted: 'Patron Driven Acquisition' (PDA), 'Audio Books', and 'Subject Sets'. The right sidebar contains a 'Welcome ECM Selector' message, a 'My Lists' section with a 'New List' button, and a 'Using ECM' section with a list of guides for new customers.
